

# PLR Niche Articles

The list of archives where authors can publish articles has cardinally changed. The first version of the list was simple association already existing then lists. Very big and effective list from 500+ archives has as a result turned out. A problem of this list was that it contained a lot of dust. The new variant of the list does not contain:

- Sites trying to install on your computer a virus (there were 3-5 similar sites);
- Different variants of names leaders in one place;
- Archives not supporting submit
- Not archives of articles;
- Domains exposed on sale
- Archives of press releases.
